I joined our academy in 2019 and am working hard with our pupils and staff to make sure our school continues to improve. We want to provide an excellent education for each and every one of our pupils.

As Principal, it is my responsibility to create an environment in which your child can become a confident, articulate, resilient and kind young adult. Our curriculum, enrichment programme and student experience days, help ensure our pupils learn, thrive and make progress. We are committed to preparing and supporting our pupils to go on to pursue careers they are passionate about, contributing positively to society and living happy, healthy and fulfilled lives.

Our school community works hard to ensure our values of being **ambitious**, **resilient** and **kind** underpin our work and are upheld by us all.

We know that all children can and will achieve success and our dedicated staff work hard to nurture, support and provide challenge, to make this a reality. We welcome and value the input of carers and parents; together, we work hard to help realise the dreams and ambitions of our children and their families.

Ark schools prioritise six key principles: high expectations; excellent teaching; exemplary behaviour; depth before breadth; more time for learning; knowing every child.

Ark invests significantly in a number of professional development programmes which complement academy level training:

- The Ark training menu: we have developed a bespoke training menu, which is accessible by all staff in the network offering a wide range of training modules to staff in all roles
