Salary: £40,000 to £45,000 (depending on experience)

About the role:

We are looking for someone who will be resilient, flexible, and able to operate in a busy environment, as well as excellent at managing competing demands and priorities whilst remaining calm. You will have responsibility for partnering with some of our 'income generating' ventures, donor funded departments and operational departments.

You will be expected to take the lead supporting budget holders with high-quality management information, supporting with budgeting and forecasting, as well as working with budget holders to identify opportunities for efficiency and reporting and understanding external funding. A combination of excellent excel skills combined with your experience of explaining the numbers clearly to non-finance personnel will allow you to shine in this role.

Key Responsibilities:

- Provide efficient Finance Business Partnering support to various programme teams to facilitate timely recognition of planned Income and Expenditure for effective delivery of forecasts and budgets
- Lead on month-end management accounts for the departments in Ark Schools under your remit, including posting balance sheet adjustments and producing commentary alongside reporting
- Effectively communicate the monthly finances for your specified departments with the Financial Planning Manager and Head of Central Finance
- Regular meetings with budget holders to take them through their year-to-date figures and ensure that they understand the financial position of their department, undertaking additional analysis as necessary
- Support budget holders and the Financial Planning Manager with the reforecast and budgeting processes
- Work with the Fundraising team to support the Financial Planning Manager in reporting on Network reserves and external donations ringfenced to programmes
- Lead on reporting requirements for external funders and assist the Financial Accounting team on any statutory reporting requirements for funds received
- Develop finance training materials for your departments, to ensure they are supported through forecast and budgeting processes
