Welcome from the Principal

I am delighted to introduce you to Ark John Keats Academy: an all-through school in Enfield with a mixed comprehensive intake. Our mission is to ensure our pupils lead a life of genuine choice and can drive their own destinies because they have a rigorous academic curriculum, which is well taught, and because they know that kindness, effort, aspiration and tenacity lead to success. We are a member of the successful Ark network of schools and are proud to serve the young people and families in our community here in Enfield.

We opened our doors to our first reception classes in September 2013 and our first cohort of year 7 pupils joined us in September 2014. We currently have over 1800 pupils enrolled from nursery to year 13 and are oversubscribed in every year group. Our teaching staff are experts in their subject areas and all staff at the academy share a commitment to upholding the highest expectations.

We have created an academy that is renowned for its calm, orderly and purposeful environment, where pupils behave maturely and respectfully and enjoy the rich experiences that we offer. As a result, our students secure excellent academic outcomes, become kind and well-rounded young people, and go on to one impressive destination (on average over 65% of our students go on to one to study at a top third university in the U.K.). The academy was graded good in all areas in our Ofsted inspection of January 2023, and we are committed to building on this foundation to ensure that every aspect of our school is truly excellent.

This is a fantastic place to develop your career and to make a positive contribution to the lives of young people. We are looking for talented and dedicated staff, who are ambitious for our pupils as well as themselves, to join us in this next phase of our development.

What Our Staff Say

AJK is such a special place to work. We work closely with our families to provide an exciting and rigorous education for all of our students, enabling them to achieve great academic outcomes and become rounded. AJK invests in its staff so we can build a happy, hard-working community that delivers excellence for our pupils daily

Vice Principal

AJK has high standards of both its students and its staff, which makes it a challenging, but highly rewarding place to work. This rigour is matched with understanding from school leaders and the comradery in all departments makes it a warm and friendly environment.

Head of History

Our staff are not only hardworking, but also genuinely care about each student. They go above and beyond to provide the right support and opportunities, making sure every child feels valued, supported, and able to succeed.

Deputy SENDCo

About Ark

Ark is an education charity that exists to make sure that all children, regardless of their background, have access to a great education and real choices in life.

There are 30,000 students learning in our network of 39 schools. We've always believed that, with the right approach, every child has the potential to succeed. We work in the communities where we can make the biggest difference to children's lives, and all our schools are non-selective.

It works: our schools achieve great results – significantly outperforming national averages, especially when it comes to driving progress – the best measure for 'closing the gap'.

We take what we learn in our schools to develop new solutions and approaches that we can share. Over the last two decades, we have developed and incubated more than 20 projects and programmes, supporting them to scale and achieve systemic impact on the life chances of all children. Over 350,000 children currently learn using an Ark curriculum and our Ark Start nurseries are demonstrating a new model for early years education that we hope will become the norm.

76%

Ark is among the top performing trusts at primary. In 2024, 76 percent of pupils achieved the expected standard or above in reading, writing, and maths – surpassing the national average of 61 percent by 15 percentage points.

83%

Eighty-three percent of our sixth form students go to university at 18, compared to 38 percent nationally. Of those progressing to university, six in 10 attend a top third university compared to three in 10 nationally.

At secondary, six in 10 students from a disadvantaged background at Ark achieve GCSEs in Maths and English, compared to just four in 10 nationally.

Our Approach to Curriculum & Teaching

Curriculum

At Ark John Keats, we believe that an academic curriculum, rich in powerful knowledge, opens opportunities for our children for the rest of their lives.

We have four key levers for achieving our curriculum aims and supporting teachers to deliver excellent lessons:

- **Curriculum documentation:** Our leaders produce highly effective plans which support teachers to internalise the curriculum. We align with Ark Curriculum Programmes, meaning we benefit from excellent plans that we can adapt for our students.
- **Centralised resources:** High quality centralised lesson resources mean that teachers can focus their energy on intellectual preparation and adaptations for their class, rather than creating slides or worksheets.
- **Co-planning:** We protect time each week for departments to plan in teams, enabling the sharing of expertise and best practice.
- **Intellectual Preparation:** We have a consistent approach to lesson planning, which supports teachers to focus on the highest leverage elements of lesson preparation.

Teaching

We understand that the development of exemplary classroom practice is a career-long undertaking, and teachers are supported through evidence informed training and regular feedback on their practice.

Our teacher development programme includes three key components

- **Regular CPD for all teachers:** Our CPD programme is research driven and based on our school priorities and teachers work on development goals appropriate to their own stage of career development.
- **Coaching and feedback:** We have an open door policy and all teachers at AJK receive regular feedback on their classroom practice. We run a bespoke and highly effective coaching programme alongside this to support individual teachers at different stages of their development.
- **Co-planning Meetings:** Excellent planning is the foundation for excellent teaching. Planning collaboratively provides all teachers with an opportunity to develop their subject and curriculum expertise.

“

At AJK we prioritise excellent lessons – for example, in science students dive into the world of science through hands-on experiments, turning curiosity into knowledge and discovery throughout our curriculum.

Description of the post:

We are seeking to recruit a Kitchen Porter, to assist with all aspects of kitchen cleanliness, hygiene standards and other duties associated with the running of the academy's kitchen, under the direction of the Chef Manager.

Key Responsibilities

Main Duties

As a Kitchen Porter in a school environment, you will support the catering team in maintaining a clean, safe, and efficient environment to help deliver nutritious meals to students and staff. Your key responsibilities will include:

- **Cleaning and Hygiene:** Maintain high standards of cleanliness across the kitchen, including work surfaces, floors, equipment, and utensils, in line with school and food safety regulations.
- **Dishwashing Duties:** Operate dishwashing equipment and manually clean pots, pans, trays, and other kitchenware.
- **Waste Disposal:** Safely dispose of food waste and recyclables, ensuring bins are emptied and cleaned regularly.
- **Stock Handling:** Assist with receiving and storing deliveries, ensuring food items are rotated and stored correctly.
- **Basic Food Preparation:** Support the catering team with simple food prep tasks such as peeling vegetables or assembling packed lunches, under supervision.
- **Health & Safety Compliance:** Follow all school policies and procedures related to food hygiene, health and safety, and safeguarding.
- **Equipment Maintenance:** Report any faults or maintenance issues with kitchen equipment promptly.
- **Team Support:** Work collaboratively with catering staff to ensure smooth meal service during breakfast, lunch, and special school events.
- **Training:** To attend training courses as required.

Other

- Undertake and, when required, deliver or be part of the appraisal system and relevant training and professional development.
- Undertake other various responsibilities as directed by the Chef Manager

Person Specification

The person specification focuses on the knowledge, skills, experience and qualifications required to undertake the role effectively. It is expected that the successful applicant will have and can demonstrate:

Qualification Criteria

- Qualified to work in the UK.
- Food Hygiene/Safety certification desirable

Knowledge, Skills, and Experience

- Experience of supervising children at the appropriate age range.
- Experience of working in a challenging urban school
- Ideally have experience in a similar role within a school or the education sector.
- Hard working, conscientious and organized
- Able to work at a fast pace
- Able to establish good working relationships with all other staff
- Helpful, positive, calm and caring nature
- Able to follow instructions accurately but make good judgements when required
- Excellent team player, helpful, friendly and willing to undertake extra tasks as and when necessary
- Good role model for students and staff, with high expectations for self and others
- Genuine interest and willingness to help children learn how to eat healthily
- Ability to prioritise workload and hit deadlines
- Strong interpersonal and communication skills, able to communicate with pupils and colleagues in friendly and professional manner
